

Please note:

Mission Search clients require specific medical documentation to accept our contractors on assignments at their facilities. In order to be in compliance, Mission Search requests this documentation to be on file at our headquarters. Please review and sign the declination form listed below in the event you decline to provide this information. **Declining to provide this information may limit your assignment options.**

CANDIDATE IMMUNIZATIONS DECLINATION

I understand that due to my occupational exposure I may be at risk of acquiring and transmitting infection to patients and other health care workers, as well as, to my friends and family, from any of the following diseases:

- Tuberculosis (TB)
- Seasonal Flu
- H1N1
- Hepatitis B
- Hepatitis C
- tDAP
- MMR (Measles, Mumps, and Rubella)
- Varicella (Chicken Pox)

However, I decline the recommended vaccinations at this time. I understand that by declining these vaccines, I continue to be at risk of acquiring these serious diseases.

Vaccines declined (check only those you want to decline):

- Tuberculosis (TB)
- Seasonal Flu
- H1N1
- Hepatitis B
- Hepatitis C
- tDAP
- MMR (Measles, Mumps, and Rubella)
- Varicella (Chicken Pox) History: _____

I also understand that my decision may limit my assignment options and I may not be able to be assigned to a client facility that requires either proof of immunity OR proof of vaccination for all OR any of the vaccinations that I have declined.
